

# VP-DJ Shariah China A-Shares 100 ETF

JUNE 2023

Currency: MYR

Stock code: 0838EA

Price: MYR 1.3050

## INVESTMENT OBJECTIVE

The Fund aims to provide investment results that closely correspond to the performance of the Benchmark.

## INVESTMENT STRATEGY

The Manager intends to primarily use a full replication strategy through investing in Shariah-compliant A-Shares that are included in the Benchmark, having substantially the same weightings in which they are included in the Benchmark.

| <i>Contemporary Amperex is the largest and most advanced electric vehicle (EV) battery provider globally and is a supplier to many top-tier automakers, such as Tesla and Toyota. The company is set to benefit from the increasing penetration of EVs worldwide, especially given its leadership position.</i>                                                                                 |                                                        |                               |             |
| <b>002594 C2</b>                                                                                                                                                                                                                                                                                                                                                                                | <b>BYD Co Ltd</b>                                      | <b>Consumer Discretionary</b> | <b>4.2%</b> |
| <i>BYD is one of the top EV manufacturers in China and has successfully expanded overseas, including the US and Europe. The company is set to grow further as more people, both domestically and abroad, are replacing traditional vehicles with EVs.</i>                                                                                                                                       |                                                        |                               |             |
| <b>300760 C2</b>                                                                                                                                                                                                                                                                                                                                                                                | <b>Shenzhen Mindray Bio-Medical Electronics Co Ltd</b> | <b>Health Care</b>            | <b>3.3%</b> |
| <i>Shenzhen Mindray is among the largest and best-known medical equipment companies. It has a huge presence abroad, with more than half of its sales coming from outside China. The company is expected to grow further, as it is a beneficiary of new healthcare infrastructure in China and overseas.</i>                                                                                     |                                                        |                               |             |
| <b>600276 C1</b>                                                                                                                                                                                                                                                                                                                                                                                | <b>Jiangsu Hengrui Pharmaceuticals Co Ltd</b>          | <b>Health Care</b>            | <b>2.8%</b> |
| <i>Jiangsu Hengrui develops pharmaceutical products and is a leading player in China's fast-growing oncology market. Its solid pipeline of innovative drugs in China and overseas is a huge driver for market share gains and long-term earnings.</i>                                                                                                                                           |                                                        |                               |             |
| <b>603288 C1</b>                                                                                                                                                                                                                                                                                                                                                                                | <b>Foshan Haitian Flavouring &amp; Food Co Ltd</b>     | <b>Consumer Staples</b>       | <b>2.3%</b> |
| <i>Foshan Haitian, known for its best-selling soy sauce in China, is one of the largest manufacturers of seasonings in the country. It remains a leader among its peers, given its solid brand and distribution channel.</i>                                                                                                                                                                    |                                                        |                               |             |
| <b>002475 C2</b>                                                                                                                                                                                                                                                                                                                                                                                | <b>Luxshare Precision Industry Co Ltd</b>              | <b>Information Technology</b> | <b>2.1%</b> |
| <i>Luxshare Precision manufactures connectors for consumer electric devices. It is one of Apple's top 3 suppliers of connectors and is also the sole supplier of magnetic chargers for the Apple Watch. Further growth is expected as it increases its market share, driven by new components needed by Apple.</i>                                                                              |                                                        |                               |             |
